FUNDRAISER: UKRAINIAN ICONS FOR UKRAINIAN ORPHANS

Project "Liubov" - Love has received 100 lithographs (high quality) of icons of Christ and the Theotokos, packaged on foam board and shrink wrapped for purchasers, to be utilized for a FUNDRAISER for the underprivileged students in Ukraine. All proceeds will be utilized to send the youth winter clothing gifts for the "Sviatyi Mykolai" (St. Nicholas) season. The icons were written by the Kyiv iconographer – Dmytro Horditsa, who is the Director, iconographer and instructor-mentor at Ukrainian Sacral Culture Research Center of the National University of "Kyiv Mohyla Academy" in Kyiv. The size of each icon is 8 1/2X11 inches or 20X30 cms. These icons can be utilized for home prayer corners, religious gifts as well as wedding and anniversary icons. The costs are only \$16.00 each or \$30.00 for the pair.
